

How to Become a Human is a series of videos by @sheepherder_wagner from Bilibili. It teaches aliens, AI, and doppelgangers how to blend into human society. The techniques taught in the videos range from walking^[1], eating^[2], to breathing^[3] and sleeping. Actually, this kind of videos has its origin in an earlier video entitled *How to Distinguish between Shiba Inu and Bread*^[4] by @charon_studio.
